School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Principal Lee Shaw's Message:

Welcome to the new school year at El Capitan High School, home of the Mighty Gauchos! If you are new to El Capitan, welcome to the Gaucho Family! You are coming to an awesome school where students come first, academics are a priority, and excellence is strived for inside and outside the classroom. The school is part of a forward-thinking district that strives to be on the cutting edge of education as we aim to equip all students to be college and career ready by the time they graduate. At El Capitan, as well as throughout Merced Union High School District, staff and students are supported with the latest resources to allow them to function at the highest levels in modern education. We strive for our students to be 21st Century learners as well as 21st Century leaders.

Our staff, parents, and community have been extremely supportive in helping El Capitan become established as the great school it is. This year, we will continue to work together to enable our students to master the skills required to be successful as they progress towards their chosen careers or colleges. We will strive to enable them to think globally and become critical thinkers who are able to evaluate and solve real-world problems. Progressing forward, we will continue working together as one family. To help keep this in mind, this year's school hashtag is #gauchofam. When you see Gauchos showing that family attitude and community mindset, please use #gauchofam as you post to your social media platform of choice. We are one family.

Welcome!

"Learn, Love, Lead & Leave a Legacy"

Mission Statement: El Capitan High School is committed to developing 21st-century leaders who demonstrate integrity, honor, and compassion as they gain the academic and technological skills needed to achieve excellence in college and career.

Vision Statement: Learn, Love, Lead, and Leave a Legacy

School Description: El Capitan High School is the sixth comprehensive high school in the Merced Union High School District and the third comprehensive high school built in the city of Merced. It is the district's first 1:1 Web school, with a "bring your own device" option, or the option of using the school supplied Google Chromebook. All students will have their own device to use at school and at home. The school is located in North Merced close the UC Merced campus. The school opened on August 19, 2013 for freshman and sophomore students. An additional grade level was added for the 2014-2015 and 2015-2016 school years. El Capitan is rich in diversity: the multitude of ethnicities, backgrounds, languages spoken, and cultural heritages represented in the student population are a source of strength and learning at the school.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: 2019, January

Pursuant to the settlement of Williams vs. the State of California, the Merced Union High School District thoroughly inspected each of its school sites at the start of the 2007-08 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom and to take home if necessary. El Capitan High School is a one student to one device web school. Technology devices at El Capitan (Chromebooks) are used in place of the district books list. Students can have access to the hard copies if needed. The main textbooks used within the district are listed below.

School Facility Conditions and Planned Improvements (Most Recent Year)

El Capitan High School was constructed in 2013. The school is inspected annually by the fire marshal and monthly by school site administrators. All issues discovered during these inspections are given the utmost priority.

Cleaning Process: El Capitan High School provides a safe and clean environment for students, staff, and volunteers. The District Governing Board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with custodians to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance and Repair: A scheduled maintenance program is administered by El Capitan High School’s custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Merced Union High School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

The chart below displays the results of the most recent school facilities inspection.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	20	25	19	17	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education Programs (School Year 2018-19)

El Capitan High School's primary objective is to prepare students for success in college and careers.

All students complete a six-year plan with his/her respective counselor to assess academic strengths/weaknesses, determine short and long term goals, and create a tentative 4-year plan of courses. Students are guided toward intervention and tutorial services to assist them with their academic goals and areas in need of improvement. This plan is then reinforced and reviewed each year during course registration time with the student’s counselor.

El Capitan High School provides a comprehensive Career Technical Education program through courses offered in Agriculture, Technology, and the Sciences. In addition, there are a number of courses on campus that work to develop entry-level job skills such as shop classes, computer programming, and graphic arts.

Career Technical Education Participation (School Year 2018-19)

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

El Capitan involves key stakeholders in providing information, feedback, and input on District issues. Parents/guardians can increase their knowledge of educational offerings and opportunities related to extra and co-curricular activities by attending one of the school's parent information opportunities such as back to school night, pastries for parents, and family movie nights. In addition, El Capitan offers parent education opportunities and parenting skills development through our parent literacy classes, Partners in Education workshops, Family Education/Engagement workshops, Adult education classes, and regularly held EL meetings. Parents are also invited to participate in a variety of ways to support student activities including band, athletics, English Learner Advisory Committee (ELAC), Local Control Accountability Program (LCAP), and School Site Council (SSC).

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2015-16	School 2016-17	School 2017-18	District 2015-16	District 2016-17	District 2017-18	State 2015-16	State 2016-17	State 2017-18

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Safety of students and staff is a primary concern of El Capitan High School. Through curriculum, instruction, and discipline policies students are provided both a safe and positive learning environment. El Capitan High School maintains an excellent rapport with the local police department in issues of campus safety. The campus is properly supervised before and after school, and during breaks by teachers, all five administrators, and the campus liaisons (3 full time, 3 part time). We also have a full time School Resource Officer through a partnership with Merced Police Department.

All visitors must sign in at the Principal's Office and receive proper authorization to be at the school. Visitors are asked by school site staff to display their pass at all times.

The school's safety program is fully compliant with federal and state regulations, and the School Site Safety Plan is updated annually by the Safety Committee. ECHS staff has adopted the Character Counts framework and celebrates student and staff success on a regular basis. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Emergency drills are held regularly, and all staff and students have been trained on coordinating and executing an evacuation from the school on a yearly basis.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	6	6	8

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. The district/site focus of professional development was refining and providing support regarding instructional norms, integration of technology, restorative justice (Urban Essentials 101), literacy strategies, higher order thinking questioning strategies, rigor (including depth of knowledge), and the integration of Common Core State Standards (CCSS) and performance tasks.

Ongoing professional development at ECHS consists of support through the instructional coaching model and through an on-site professional development calendar. The 2018-2019 calendar allows for the following sessions:

- Depth of Knowledge
- Student Engagement
- Technology Integration

- Whole Child
- Student-Centered Classroom

ECCHS offers a unique master schedule in which a daily teacher collaboration period is offered in order to allow on-going monitoring of student achievement, while also providing an opportunity to refine and recommend instructional strategies to meet students' needs. Students' performance on signature assessments and assignments is analyzed by subject specific teacher teams during the daily collaboration time in order to immediately adjust instruction.
